POWER OF SOUND ACADEMY

XDJ-RX2

OPUS-QUAD

Professional DJing Courses • Learn • Practice • Perform

Turn your passion for music into real DJ skills with hands-on, practical training from experienced DJs and music industry professionals. Whether you are starting from scratch or taking your sound to the mainstage, our curriculum is engineered to build your technique from core foundations to commanding live sets.

INDUSTRY FLAGSHIP TRAINING RIG

Pioneer DJ Ecosystem

BASIC DJING COURSE

Foundations of Mixing, Rhythm & Decks

2 Months

24 Classes

₹50,000/- (Inc. GST)

CURRICULUM & CORE MODULES

- 1 Intro to DJ Controllers:** Hands-on operational mastery of Pioneer XDJ-RX2 & OPUS-QUAD flagship decks.
- 2 Understanding BPM:** Beats Per Minute calculation, tempo perception, and rhythmic synchronization.
- 3 Beat Matching:** Manual cue alignment, tempo fader trimming, and pitch nudging without auto-sync reliance.
- 4 EQ & Equalisation:** Mastering High, Mid, Low frequencies, smooth blending, and harmonic transitions.
- 5 Loops & FX:** Beat loop division, roll, echo, delay, reverb, and expressive breakdown build-ups.
- 6 Crossfader Techniques:** Setting crossfader curves, snappy drops, quick cuts, and smooth linear blending.
- 7 DJ Mic Techniques:** Voice modulation, crowd hype, stage announcements, and microphone ducking controls.
- 8 Bar Counting & Phrasing:** Structural mastery of 4/4 time, 16/32-bar song phrasing, and seamless transition drops.

Mid-Term Practical Assessment

Conducted after 12 classes to evaluate mixing precision, ear training, and strengthen your core foundations.

CLASS 12 MILESTONE

## ADVANCED DJING COURSE
